### ***I'm Free***

Don't grieve for me  
for now I'm free  
I'm following the path  
God laid for me.  
I took His hand when  
I heard Him call  
I turned my back and left it all.  
I could not stay another day  
To laugh, to love,  
to work or play.  
Tasks left undone must stay that way.  
I found that peace at close of day.  
If my parting has left a void,  
then fill it up with remembered joy.  
A friendship shared, a laugh, a kiss,  
Ah yes, these things I too will miss.  
Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much,  
Good friends, good times,  
a loved ones touch.  
Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief.
