After graduating high school as valedictorian, he served honorably in the Navy during the Korean War. Following his military service, he graduated from the University of Texas in Austin with a degree in electrical engineering. George loved his family, always asking what his grandkids were up to and how they were doing. His face would light up when they would come to visit. George had an unwavering faith in God. He lived a life of firm values and unwavering faith in a savior that died for him.

*For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. Therefore comfort one another with these words.*

*1 Thessalonians 4:16-18*
