CELEBRATING THE LIFE OF

Meosha S. Walker

We remember with love **Meosha Walker**, affectionately known as "**La-La**", age 36, who departed this life on September 24, 2025, at her home in Memphis, Tennessee.

She was born on June 21, 1989, in Memphis, TN to her parents: **Bertha L. Eulls and Alfonzo Walker**. Cherishing her memories are her parents; six siblings: **Marcus Danner (Puncho), Samuel Danner (Rica), La'Miracle Walker (Keykee), Jala Eulls (Jalabugg), Joshua Eulls, and Aaron Jones**; one god-son: **Kyler Eulls**; along with a host of **nieces and nephews** who adored her deeply.

La-La is now reunited in Heaven with her loved ones who have gone before her, her godmother, Prophetess Dorthy Jean Hurst-Holmes.

La-La was a bright and passionate woman whose presence brought joy, laughter, and warmth to everyone who knew her. She pursued her education with drive and determination, earning a **Pharmaceutical degree from National College in May 2011**, followed by a **Criminal Justice degree from Southwest Community College in May 2015**.

La-La lived life fully and unapologetically. She had a deep love for **singing, writing music, traveling, shopping, and cruising the streets in her beloved Jeep Wrangler**. Her energy was infectious, her laughter unforgettable, and her creativity inspiring.

At the time of her passing, La-La was joyfully expecting her first child and was **12 weeks pregnant**. Though her journey was cut short, her love and spirit will continue to live on in the hearts of those who knew and loved her.

Her favorite words, "**I am an open book**," remind us all of her honest, genuine, and open-hearted nature. **La-La, your song lives on in all of us. Rest peacefully.**

TRIBUTES OF LOVE TO

La-La

To My First-born Daughter

From the moment you came into my life, you brought me joy, laughter, and an endless love that I will cherish forever. Although my heart aches knowing that you are no longer here with me, I am trying to find peace knowing that God has you wrapped up in his loving arms. You will always be my first baby girl. I will carry memories of you in my heart with everything I do. Until the day we meet again, I will continue to love you endlessly.

~ Love Always, Mom ~

My Dearest Daughter

From the day you were born, you lit up our world in ways we never thought were possible. There was softness in your presence, but strength in your voice. Watching you grow into the amazing woman you have into, has been one of the greatest joys of my life. My first-born daughter, you taught me more than I could have ever imagined. You were my daughter, my teacher, and my heart that walked outside of my body. I want you to know that I love you and I will always carry you in my heart.

~ Love Always, Dad ~

If Flower Grow in Heaven

If flowers bloom in the fields of heaven, dear Lord, please place some flowers within my sister La-La's arms, a gift from her big brother, Marcus. Remind her that I love her and miss her dearly, each day, without her an ache will continue to grow. I know she is watching me from above, as my guardian angel, but not a day will go by without her memory. We will cherish all the goodness she embraced before she gained his wings. Dear Lord, I know she is resting safe in your arms, yet my heart still yearns, putting love to the test. If tears of sorrow could pave a stairway to heaven, I would climb the stairs just to be in her presence. Lord, I would remind her that she is forever etched in our hearts. I love you La-La.

~ Your Oldest Brother, Marcus ~

To My Little-Big Sister La-La

Even though I am the big brother, you treated me as if I was the little brother and you were the older sister. Thank you for always staying on me and checking to make sure I'm straight! Thank you for never telling me "NO." We were always one phone call away from each other. You have always been my sense of peace. You were really my EVERYTHING. Our love has always been unconditional. I can't believe you're really gone. I will miss you dearly. Now that you're gone, I promise to continue to be my sister's keeper. I will check in with the girls (Keyke, Jala, Boosie, and Mother) a lot more often. I love you forever La-La.

TRIBUTES OF LOVE TO

La-La

To My Only Big Sister

To the world, you are Meosha, but to me, you are my favorite La-La. The dramatic, sensitive, and outspoken La-La. Not only were you the best big sister a little sister can dream of, but you have always been my best friend, my twin, my biggest cheerleader, and even my therapist when I needed it. Losing you has been hard for me, mostly because I don't know a life without you! You are my closest friend. We have done everything together. From waking up in the morning and taking unplanned road trips to buy the newest iPhones and Jordans. We buy new cars together. We got our first apartment together... You even waited for me so that we could go to college together. We had big plans. At 70 years old, we were supposed to be chilling with our feet up. Our memories will never leave my heart. Thank you for being the best big sister and best friend. I will continue to love you forever.

~ La'Miracle (Your favorite Keykee) ~

To My Oldest Sister La-La

Thank you for loving me and my children. Although you are gone, I thought of you today, but that's nothing new. I thought about you yesterday, too. Since you have been gone, I think of you in silence, and I speak your name.

All I have is memories in a picture frame.

Your memories are my keepsake with which I will never part.

God has you wrapped up in his loving arms.

And I have you in my heart!

~ Love Jala Eulls (I will always be your Jalabugg),
Noah & Nyla Eulls ~

Auntie,

Of all the many blessings, however great or small.
To have had you as our auntie was the greatest blessing of all.
Our family chain is broken now and nothing seems the same.
But as God takes us one by one the chain shall link again.

~ Love Always, Your Nieces and Nephews ~

I always saw you as more than my cousin; you were there whenever I needed you most. Words can't explain how much I will miss you. I will treasure our memories and long talks forever, because you were truly the greatest blessing in my life. You will always be my sister/cousin, and I will carry you in my heart forever.

~ Love Shaneria a/k/a Your Boosie ~

La-La, I miss you so much already. Words cannot explain the loss I feel saying farewell to you. Heaven chose to give you wings, and so it's time for you to fly. I wish I had more time with you, that God will let you stay Forever wouldn't be long enough, but wish I could have one more chance to see you smile,

And to just laugh with you for a little while

You are gone too soon, but you will never be forgotten.
Forever, you will remain my guiding light and my shining star.

Until we meet again.

~ Love Joshua ~
