

## *Remembrances*

*We can't feel saddened over the loss  
of those we love without first  
remembering the joy of loving them.*

*The real sadness would have been  
never having had them in our lives at all.*

*Remembering is a journey the heart takes,  
back into a time that was, and our thoughts  
are the only tickets needed to ride.*

*We who have truly loved are blessed.*
