

BROTHER

*You gave no one a last farewell, nor ever said good-bye.
 You were gone before we knew it, and only God knows why.
 A million times we will miss you, a million times we will cry.
 If love alone could have save you, you never would have died.
 In life we loved you dearly, in death we love you still.
 In our hearts you hold a place, no one else can fill.
 It broke our hearts to lose you, but you didn't go alone,
 For part of us went with you, the day God took you home.
 We will meet again someday I know in a better place.
 I thank God He made you our brother
 While you were here on earth.*

May the presence of
 the Angels surround
 your life today.
 Bringing gifts of gentle healing
 and hope along the way.

I am Vincent Saul Castel. I was born in Winnipeg Manitoba, The year was 1991/April/24/ The year is now 2019 Sept/1/19/ I am always looking into (life), learning inner feelings and emotion's. Always looking to let go of what does not help with feeling good. I've been bad most of my young year's of living, trying to be who people wanted me to be. I put a stop to that at 15 learning that life is what you make it. Now am trying to make life worth living to the fullest. I started by Accepting people as they are, you will not hear from me, unless you speak to me. So no judgement from me, live and let be.
