Billy, I Miss You So Much It's like A half of my heart is gone. We were together for a lifetime it was no two people it was one person. I knew you had to leave, and I'm at peace with that, you fought your battle for a long time, but you are at peace now. Sleep In Peace "I See You Later"

*Your Loving Wife  
"Diana"*

*Daddy*

I know! If It was your way, you would be here sitting on the porch, but God felt your pain, God seen your tears. God know it was time for you to leave here. I'm trying to understand this pain I feel when God took my double away from here.

*Love You  
"Rhonda"*

*Dad*

Not long enough to laugh with him still, after every bad joke, after every tough hill. I'll remember that walk I took with my father and always wish it could have been longer. There's a special kind of feeling and a special kind of care that is meant for you alone.
