My Sister My Friend

God gave to me a chain of gold
Of beauty and love so true.
Each link a story that will unfold
Are memories of me and you.

The simple joy of love's pure light
Fills my heart with pride.
That you're my sister shining bright
And walking by my side.

Blessed be thy Holy name
Of Him in Heaven above,
For inside of me - He lit the flame
And gave you for me to love.

The kind of person I want to be
Is you my sister dear.
And in my heart holds a memory
Of having you so near.

God bless us - with eternal love
Our beautiful mother has shown.
From the sweetest woman in Heaven above
And her family that is home grown.
