My Testimony

I testify of the reality of Jesus Christ, a divine being, the son of God our Eternal Father in Heaven, born to Mary in Bethlehem in the Meridian of time.

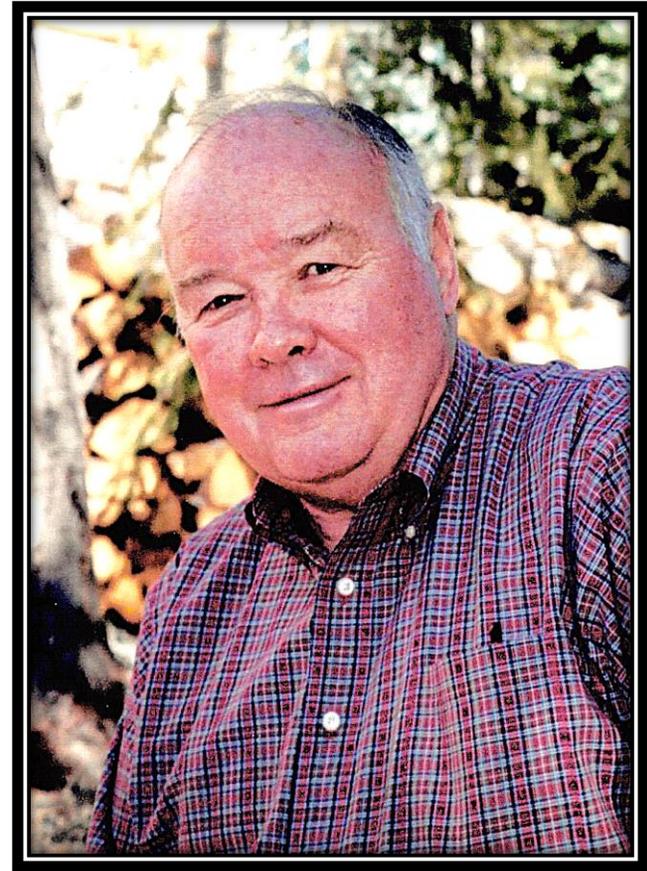

In our pre-existent state we knew him. We shared in his desire to come to this earth and take upon ourselves physical bodies, as we knew he would do.

We knew that this life would be a time of enlightenment, a time of testing, a time of repentance, a time of preparation for our eternal life with the opportunity to be with our loved ones forever in His presence.

We are led by a prophet of God. He was selected from among the heavenly elect to provide us guidance and counsel in our lives, so that according to our decisions, freely made, all that is possible will be made possible, as a result of our faithfulness and obedience.

Might we listen to him and his associates and enter into life eternal. And, of this I so testify, David W. Adams, July 24, 2017

In Loving Memory of

David William Adams
