In Our Hearts
Forever and Always

STARRY NIGHT

a creative heart, obsessed with satisfying
This dormant and uncaring society
u have given them the stars at night
and u have given them Bountiful Bouquets of Sunflowers
But 4 u there is only contempt
and though u pour yourself into that fame
and present it so proudly
this world could not accept your masterpieces
from the heart.

So on that starry night
u gave 2 us and
u took away from us
The one thing we never acknowledged
your life.
