TO MY DAD IN HEAVEN

A million times I've needed you, a million times I've cried. If love alone could have saved you, you would have never died. In life I loved you dearly; in death I love you still. In my heart you hold a space where no one can ever fill. It broke my heart to lose you, but you didn't go alone, part of me went with you the day God took you home.

Love Jada

SON

The moment you left this earth, my heart was split in two-one side was filled with memories; the other side left with you. No words I write can ever express how much I miss you. I often lay awake at night and walk down memory lane, with tears upon my cheeks. Remembering you is easy, I do it every day, but missing you is a heartache that never goes away.

I hold you tightly within my heart, and there you will remain. I pray that God gives me strength and carries me through as I struggle with the heartache that came when He called your home.

Your loving mother,
Pearl
