Arrangements By: Hickey Funeral Home, Chamberlain, SD

Do not stand at my grave and weep

Do not stand at my grave and weep.

I am not there. I do not sleep.

I am a thousands winds that blow.

I am the diamond glints on snow.

I am the sunlight on ripened grain.

I am the gentle autumn rain.

When you awaken in the morning's

hush, I am the swift uplifting

rush of quiet birds in circling flight.

I am the soft star that shines at night.

Do not stand at my grave and cry.

I am not there. I did not die.

Leslie Ann Wingert (Leiferman) was born December 27 1967 to Sam and Kaye (Varns) Leiferman in Chamberlain SD. She attended school in Chamberlain where she graduated in 1986. Leslie later attended Mitchell Vo Tech and Northwestern Community college for Business/Computer Technology.

On May 24 1986 Leslie married Raymond Wingert and to this union two kids were born.

Leslie owned several of her own businesses throughout her short life, Etzie's creation, Cherished Moments and Doxies Angels- where she was passionate in taking care of others in whatever capacity that may be.

Leslie was often the life of the party, the helpful hand, and the strong shoulder for anyone who needed it. It's these characteristics we will hold close.

Leslie passed away March 8 2026 at Sanford in Sioux Falls surrounded by her family. Gratefully sharing her life is her husband Raymond, children Juston (Maricel) Wingert, Tiffany (Jeremiah) Anderson, all of Oacoma, SD. Leslie cherished her children's spouses and loved them just as much as her own. Leslie often stated "thank God they found their person". Two grandsons Ryley VanRooyen of Greencove Springs, FL and Jake Anderson of Oacoma. Her brother Sam Leiferman of Chamberlain, SD. Several nieces and nephews and great nieces and nephews. Leslie's heart was filled with love for her dogs, and they will forever miss her too.

Preceding her in death were her parents, Sam and Kaye Leiferman, her sister Jodi Wingert, her in laws John and Darlene Wingert as well as her grandparents Albert and Rita Leiferman.
