In Loving Remembrance of
Dolcey Lily Fournie
November 12, 1962—October 8, 2021

Dolcey was born on Monday, November 12, 1962 to George Campbell and Florence (Buck) Campbell. Everyone referred to her as "Mouse".

She lived in Moose Lake throughout her life and attended Moose Lake School. She then moved to Brandon with her niece Sandra whom she referred to as her sister, supporting her with her education and caring for her children while in school, and continued to help Salina in her last year in Brandon, this is where she met her

husband Floyd of 20 years.

Floyd fought hard to win her love and was persistent, then eventually won her over. They then moved back to Moose Lake, MB and got married on June 30, 2001 and stayed and raised their children there.

Dolcey was extremely happy when her grandchildren were born, she always had them on first priority, every time she would go to The Pas for any trips, she always brought something back for them. She shared and talked about the bible with her children and teaching her grandkids at an early age. She had a lot of love and compassion for everyone.

She also enjoyed visiting with her family and always made time for her sisters, her daily phone call visits and always looking forward to Allan's phone calls, she didn't want to miss them. It's like she made sure everyone was taken care before she considered herself, doing her daily chores and when making Bannock, she always made extra for her brother "Costello".

She also loved attending birthday parties, baby showers, bridal showers and Christmas gift exchange get togethers. One of the things she enjoyed was hosting these celebrations. She loved throwing parties, anything that would mean a big family get together. She had talented skills in organizing and planning.

Although she did not own a vehicle, we would tease her as the richest person, since she seemed to make it to The Pas almost everyday. As soon as she was asked to accompany someone, she would get ready and go on her travels either to Winnipeg, Brandon, Thompson and The Pas. Even local rides in Moose Lake going around and helping out where and when needed.

She had her own little evening time enjoying having her tea and pastry, this is something she did as self care. She also like watching Netflix and especially her favorite team the Winnipeg Jets.

Every year the cousins would go for boat rides in the

summer, swimming, fishing and picnics. Everyone would try to be the first to take her because she always had awesome goodies in her grub box and she made sure that she had enough food to feed everyone.

Dolcey ran for election with the Moose Lake Community Council and got in as a Councillor. She was currently a Council member as she got in her third consecutive term, she also coordinated Metis Santa Claus and was also assisting with the EMO Pandemic Team. She worked hard and not once complained about her illness. She was always on the go and motivated. She was unique with her outspoken ways especially when she stood up for something she believed in.

Dolcey battled with diabetes for a good part of her life, but managed it very well. She continued her usual tasks and never let her illness get in the way of her routines and activities. Even though she was 58 years old, she seemed youthful and felt like she was more of a cousin than an auntie. She was young at heart.

Dolcey recently lost her brother Steve Campbell (June 16, 2021) and her sister Jeannie Easter (September 17, 2021). She will leave a huge void in our lives but her love will live well in our hearts and memories.
