A LIFE BEAUTIFULLY LIVED  
A LEGACY *Forever Cherished*

Your life was a shining example of love, strength, and grace. Every smile you shared, every moment you touched — lives on in all of us. You taught us to live fully, to laugh often, and to love deeply.

Through your warmth, wisdom, and endless compassion, You left behind more than memories — You left behind a legacy of joy, kindness, and inspiration.

We see you in every sunset,  
Hear you in every laugh,  
Feel you in every embrace.

You may no longer be with us in presence,  
But you will always live in our hearts —  
Forever remembered, deeply missed, and endlessly loved.

# Tribute & Memories

## FROM JEAN THYME, SISTER

To my dear Sister Dorothy,

As I sit here, surrounded by the memories of a lifetime, I'm filled with a mix of sadness and gratitude. Though my frail body may not allow me to be with you in person on this day, my heart is overflowing with love and cherished moments we shared.

Over the years, we've shared countless laughter, tears, and adventures. Your presence in my life has been a blessing, and I'll treasure every moment we had together. As I look back on my 88 years, I'm reminded of the precious gift of sisterhood we shared.

To our family and loved ones gathered here today, I want you to know that Sister Dorothy was more than just a sibling to me – she was a friend, a confidante, and a constant source of love and support.

As I say goodbye to my dear sister, I take comfort in the memories we created together. May her legacy live on through us, and may her love, kindness, and spirit continue to inspire us all.

Rest in peace, dear Sister Dorothy. I'll see you again.

With all my love,  
Jean

## FROM LUIS BURGOS, SON-IN-LAW

Today, I honor the life of my beloved mother-in-law, Dorothy Mckoy (momma). She carried the warmth, strength, and spirit of her island home throughout her life. She was a devoted woman of faith whose love for God guided everything she did.

Her kindness, wisdom, and unwavering love shaped the generations that followed her. She believed deeply in unity, family, and prayer, and she lived those values every day. I am thankful for her life and trust that she is resting safely in God's eternal care. May her soul rest in perfect peace.

Walk good, momma! ... Love Luis

*"Those we love don't go away, they walk beside us every day, unseen, unheard but always near, still loved, still missed, and forever dear."*

# FOREVER IN OUR Hearts

You left this world, a shining light,  
With gentle hands, you held us tight.  
When shadows fall, the day feels dim,  
Heaven now glows, made bright by Him.

You gave us joy, and laughter too,  
A heart so kind, a soul so true.  
Though absence cuts and brings us pain,  
Your spirit lingers, love remains.

We'll find you in the quiet air,  
In whispered winds that show you're there.  
In starlit skies that softly gleam,  
In acts of love, you'll live in our dreams.

Until the day we meet once more,  
We'll hold you close, forever sure.  
Though parted now, we're not apart,  
You dwell within our grieving hearts.

## Prayer

GRACIOUS LORD,

In moments of pain and grief, we ask for Your comfort.  
Wrap this family in peace that surpasses all understanding.  
Give strength to face each new day and courage to hold onto beautiful memories.

Thank You for the life we shared and the love that remains.  
In Your holy name Jesus, we pray.  
Amen.
