He also became drawn to creating and making music. It became something that he excelled in. It was a passion of his. John was always thinking ahead with ways on how to create opportunities for himself in life. He also was a person that was always willing and able to help when he could.

The most important part of his life was his beautiful daughter, Jaylee. There was nothing more important to him. John loved her with every fiber of his being and was so proud of the wonderful person she was becoming. He enjoyed spending fun times together and was always there for her. He adored her. She was his shining star.

After Glow

I'd like the memory of me to be a
happy one.
I'd like to leave an after glow of
smiles when day is done.
I'd like to leave an echo whispering
softly down the ways.
Of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who
grieve, to dry before the sun.
Of happy memories that I leave
behind when day is done.
