I'm Free

Don't grieve for me, for now, I'm free,
I'm following the path God laid for me.
I took his hand when I heard him call,
I turned my back and left it all.

I could not stay another day
to laugh, to love, to work or play.
I've found that peace at the close of day.

If my parting has left a void,
then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah, yes, these things I too will miss.

Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now; He set me free.
