*I sat and thought of a moment, a moment I would put in a safe place within my heart. I chose, laughter, fun, and happiness. For me to only pick one moment to cherish, save and keep is difficult. I have built my own little library embedded in my heart for the moments we've spent together. Now that you have parted to a better place, my library promises, I'll never forget you. Rest in paradise. Journey well back to the star nation.*

*I love you June Buggie.

**Mother, Grandmother & Sister**

*A million times we thought of you,  
A million times we cried,  
If love alone could have saved you,  
You never would have died.*

*In life we loved you dearly,  
In death we love you still.  
In our hearts you hold a place  
No one could ever fill.*

*It broke our hearts to lose you.  
But you didn't go alone.  
For part of us went with you  
The day God took you home.*

**The Lord's Prayer**

*Our Father, who art in heaven;  
Hallowed be Thy name;  
Thy kingdom come;  
Thy will be done on earth,  
as it is in heaven;  
Give us this day our daily bread;  
And forgive us our trespasses,  
as we forgive those who  
trespass against us;  
And lead us not into temptation;  
But deliver us from evil;  
For Thine is the kingdom, and the power,  
And the glory, for ever and ever. Amen*
