

*In Loving Memory of
Evelyn Florine Kenner Stukes*

December 6, 1951 - November 18, 2023

Born December 6, 1951 in the South VA state. Moved to Baltimore in the mid 50's to 60's. Stole the heart of Levi Stukes then quickly married. Widowed in 1983, she soon found the love of her life in Dennis Dorsey whom she never married, but stayed together with for over 3 decades. Always in the medical field, she stayed in care centers and hospitals doing what she loved... caring for peoples' health. After Dennis passed in 2009, she felt great grief of his sudden passing but held on to her love of caring for others. Evelyn was just able to recently retire meaning she only cared for herself for once. Truly loved all her children no matter how bad they were (and boy they caused her some issues!!)

She still held strong; finally got her license in 2015, but chose to still use public transportation and sometimes even walk to her destination no matter what the weather. All her life she spent hours on the phone talking to her sister Elaine about everything under the sun. She has endured a lot of pain, but was blanketed by love she received as well as given effortlessly to others. She was happy even when mad, showing that beautiful bright smile. She had a host of family members stretching from Virginia to as far north as New York.

Evelyn was then raised by the (late) Otis Yerby and the (late) Virginia Yerby. She attended Northumberland County Elementary School. Evelyn then relocated to Baltimore, Maryland where she continued her education in the medical field.

Once she graduated, she attended Baltimore City College where she received her AA degree and her GNA CNA certification.

Evelyn held several jobs in the medical field. She retired from future care in 2017. Even after retirement Evelyn continued to take care of people no matter the circumstances. Her passion was nursing the sick and shut-ins. She loved her family, especially the grandchildren and children. She loved cooking for the family on every occasion. Her favorite holidays were Easter and Christmas where she would be shopping and decorating her home. Evelyn enjoyed her life; not everything was a dark cloud because she still saw the sunlight.

Although it was unexpected, she departed this life on November 18, 2023. She leaves to have her memory cherished by her devoted children; Xavier Stukes (son), Sherry Stukes (daughter in law), Lamar Harold (son), Quintina Randall (daughter), Kevin Randall (son in law), Stilton Stukes (son), Debbie Stukes (daughter in law), Dominic Stukes (son), Latonya (fiancée), Denise Dorsey (daughter), Jacqueline Dorsey (daughter), Zeenne Stukes (son), Joyce Dorsey (daughter) who preceded her in death.

Hilton Kenner Jr. (brother), Barbara (sister in law), Erma Yarby (sister), James Lloyd Kenner (brother), Clarence Kenner, Clayton Kenner, Bittie Benjamin and Ruth Davis who preceded her in death and a host of nieces, nephews, uncles, aunts, family and friends.

Father... thy will be done.
