TRIBUTES

~ We Miss You ~

*Our hearts ache with sadness and many tears still flow
What it meant to lose you no one else will ever know
We hold you close within our hearts and there you will remain
To walk with us throughout our lives until we meet again.*

*- Love Your Brothers,
Donnell, Maurice, & Chris*

"Remembering You"

*Bursting with Love and Laughter all of the time
A Heart that always made sure that everyone was doing fine
Hello Beautiful, Hello Beauty Queen,
Always uplifting these were our names
Encouraging and supporting to all those around
The young and the old inspired by your special kind of love
Always a smile even when life would let you down
We will miss you dearly and will remember you always.*

- Love Your Jackson Cousins

~ My Fairy Godmother ~

*You came into my life
When I needed love*

*When I didn't know who I should trust and who was for me
When I was confused about who I wanted to be
You adopted me and loved me in spite of me
I appreciated it so much you changed my perspective
I watched you dance and thought you were amazing,
So I wanted to dance too
I saw you teach and thought you were special,
So I wanted to teach too
I saw you encourage and uplift and I wanted to inspire too
I saw you love and thought you were one of a kind,
So I wanted to be like you
I did everything to make you proud and the reality is,
I wouldn't be who I am without you
I am going to miss you forever because
You gave me the best parts of you and I'm going to dance,
Teach, encourage, and love to make sure
that my life will be as valuable as yours has been to me
I love you, Fairy Godmother,
I'm going to continue to make you proud!
- Love, Shekinah*

**FAITHFUL
SERVANT**

My Irreplaceable Sister. My Friend.

*We've been together since we were young girls.
We have shared endlessly our Hopes and Dreams.
We've known each others Ups and Downs and became family.
Now look at how we've grown from where we have been.*

*I Can't believe I have to walk this path without you.
I'll try to do my best.
I pray to the Lord that we can all somehow pass this test.*

*Shirley you Loved. It was unquestionable and true.
Your love and light are keeping me safe and all who knew you.*

*I am thankful to God for the time He allowed you to stay.
This is so hard but I know it is inevitable.
We all must go this way.*

*My Faithful friend. I know you are in heaven.
Dancing and praising him as you do.
I just want to say thank you for 34 Great years
and I could always count on you.
My Irreplaceable Sister. My friend.*

*Love you Always, Fina
May God be pleased with His servant.*
