## Koan Clemons

NOVEMBER 5TH, 2024 - NOVEMBER 6TH 2024

With deepest sorrow, we announce the birth and passing of our beloved baby, who was taken from us far too soon. Koan was born at 7:15am weighing 6lbs and 9oz. Though his time with us was brief, the love and joy he brought into our lives were boundless, and the impact he made on our hearts will never be forgotten. From the moment we knew of your presence, you filled our hearts with hope, dreams, and endless love. Though you were with us for such a short time, every moment was a precious gift. Your tiny hands, your sweet face, and your innocent spirit brought light into our world, and we are forever changed by your presence.

We dreamed of watching you grow, of seeing your first smiles, hearing your first words, and witnessing the person you would become. Though those dreams will never be realized, we hold onto the love we felt for you every day and the bond that will never be broken. You were, and always will be, our beautiful baby.

Our hearts ache with the pain of your loss, but we take comfort in knowing that you are at peace. You are now held in the loving arms of those who have gone before you, surrounded by light and love. Though we cannot hold you in our arms, you will forever be cradled in our hearts.

In this time of unimaginable grief, we are deeply grateful for the love, support, and prayers from our family and friends. Your kindness and compassion have been a source of strength for us as we navigate this sorrow.

To our sweet baby, though your time with us was far too short, your memory will live on in our hearts forever. You are loved beyond measure, and we will carry you with us until we meet again.

Rest peacefully, little one. You will always be our precious child.

### Broken Chain

We little knew the day that God was going to call your name.  
In life we loved you dearly, In death we do the same.  
It broke our hearts to lose you But you didn't go alone.  
For part of us went with you The day God called you home.  
You left us peaceful memories.  
Your love is still our guide, And though we cannot see you You are always at our side.  
Our family chain is broken and nothing seems the same, but as God calls us one by one the chain will link again.
