Tribute of Love

To My Duper

*I thought of you with love
today, but that is nothing new
I thought about you yesterday
and days before that too.*

*I think of you in silence. I often
speak your name. Now all I have
are memories and your picture in
a frame. Your memories are my
keepsake with which I'll never
part of. God has you in His
keeping and I have you in my heart.*

Your devoted friend and other Mother Beatrice Thomas-Ward

Tributes of Love

Dear Nana,

I love you so much and this hurts me writing this.

I was so lucky to have you as my Nana.

I love you for recognizing me before I even knew me.

Forgiveness is warm like a tear on the cheek.

I know that you aren't gone because I feel your love.

Love is the only thing that doesn't die.

I feel your love scattered in little pieces all over me,
like fresh snow. In times of celebration, you'll be my
confetti.

I will always love you, Nana. Forever
Grandson DJ

Hi grandma I love you, I'm so lost for words right now.

I want you to know I love you, you're like a second mother to
me.

We have so many memories. I saw the good, the bad,
the ugly of you, but no matter what you were there for me,

who else am I going to call when mommy yell at me,

I always knew I could count on you.

Guess what though I'm out off the streets I know you
would be proud of me. I want you to know I love you

and I'm going to make you proud. You always
was more then a grandma to me. I love you Nana.

You will always be in my heart.

Grandson Taiquan Gaines

Nana, I love you more than you could

ever imagine. I always adored you,

loved you and appreciated you. I never

thought I would have to be saying "goodbye"

to you so soon. It was always you and me

together two pees in a pod. This all feels like
a bad dream I can't seem to wake up from.

It's hard knowing and having to accept the
fact that your gone but all that matters is you
being in a better place now. I'll see you later,
keep dancing in the sky for me lady!!

I love you forever and always.

Granddaughter Tyonna Banks

Tributes of Love

No matter what Nana was always happy
and happy to see everyone. Nana was always
someone you can bond with just for fun,
if she wasn't listening to me and Tyonna talking
about boys it was her telling us stop throwing
objects at each other abs start laughing. Nana
always loved to play cards and if someone
won and she lost she would say they cheated
and that's not how you play, it was always funny.
I will forever love you and always remember you
no matter what and will love you. See you later
old Lady.

Granddaughter Viciera Banks

Nana is someone I will never forget she's one
of the people who told me right from wrong.
Even though she is gone I will always miss her and
things we did together. I will miss playing cards,
our jokes and when we would walk to the store together.
When hearing that she was just sick I didn't want to cry
because she used to tell me that crying doesn't fix
anything. She told what to expect in the real world and

Prepared me for it as well.

Until we meet Again

A light from my life has gone

A voice I loved is still

A place is vacant within my heart

Which never can be filled. A bouquet of beautiful memories
Sprayed with a million tears wish that God could have
spared you

If just for a few more years.

I hold you close within my heart,

And there you will remain

To walk with me throughout my life

Until we meet again.

So rest in peace dear loved one

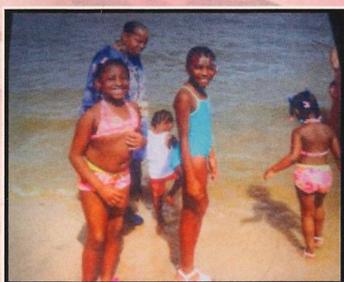

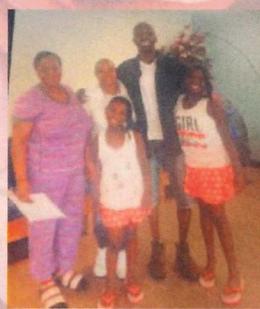

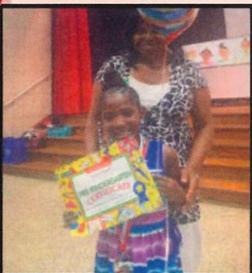

And thanks for all you've done

The crown you truly won.

Your vacant place no one can fill

I miss you now and always will.

Tribute of Love

We little knew that morning that God was going to call your name
 In life we loved you dearly, in death we do the same
 It broke our hearts to lose you, you did not go alone.
 For part of us went with you, the day God called you home
 You left us peaceful memories, your love is still our guide,
 And though we cannot see you, you are always at our side
 Our family chain is broken, and nothing seems the same,
 But as God call us one by one, the chain will link again.

Love Your Daughters Ebony & Tiffany
