

In Loving Memory of

Sandra Faye Harmon

November 19, 1963 – September 23, 2021

I Lay My Burdens At Thy Feet

I come to Thee with heavy heart
To lay my burdens at Thy feet
And ask you to renew my soul
My Savior...Lord...My Prince of Peace

My heart is broken and sorrow-filled
At the loss of one I love
'Tis more than I can bear alone
Without Your help from up above

For the path I thought my life would travel
Has now changed...and the future is obscure
It's too dim ahead and I'm too weak right now
To foresee how I'll possibly endure

Still I'm reminded of Your loving promise
That if I'll lay my burdens at Thy feet
That you will give me both strength and rest
As I daily commune with Thee

For Your power has no limits
Thy compassion knows no end
You bled for my sufferings in Gethsemane
The cruel cross proved You my truest friend

And though such agony is new to me
It is not new to You
And You'll know how to succor me
How to love and guide me through

So I'll approach Thy Throne of Grace
Having the faith to do my part
To believe in Your sacred promises
That you will heal my broken heart
