Afterglow

*I'd like the memory of me
to be a happy one...
I'd like to leave an afterglow
of smiles when life is done.*

*I'd like to leave an echo
whispering softly down the ways...
Of happy times and laughing
times and bright and sunny days.*

*I'd like the tears of those who grieve
to dry before the sun...
Of happy memories that I leave
when life is done.*
