My Mom

The one that's always been there,
Right from the very start.
With love, with hope, with guidance.
You taught me from your heart.

It's only now I realize you sacrificed your hand. To give
me life and watch me grow and now I understand.

A mother's love is precious,
A mother's love is true
And I will always feel so blessed because my mother's
you.

Love, Quay

If Roses Grow In Heaven

If roses grow in heaven Lord,
Please pick a bunch for me.
Place them in my sisters arms
And tell her they're from me.
Tell her that I love and miss her,
And when she turns to smile, place a kiss upon her
cheek and hold her for a while.
Because remembering her is easy,
I do it everyday, but there's an ache within my heart
that will never go away.

Love, Trell
