Michele Berg, 67, passed away peacefully on June 2, 2026,  
at Essentia Health in Fargo, North Dakota,  
after a battle with cancer.

Raised in Fergus Falls, Minnesota, Michele was the  
beloved daughter of Roger and Adella Berg,  
who preceded her in death.

Michele dedicated more than 43 years of her career to  
Forum Communications Printing, formerly known as Kaye's  
Printing. Throughout her many years of service, she built  
lasting friendships and created countless  
memories with her coworkers.

A gifted and creative crafter, Michele found joy in making  
handmade items, including stamped greeting cards,  
keepsakes, ornaments, keychains,  
and countless other handcrafted creations.

Michele also enjoyed spending time in the kitchen, where  
she loved baking and cooking. She generously shared her  
favorite recipes with others over the years through her blog.
