In Loving Memory

Arms Of Angels

You rest in the arms of angels
In a place of peace and love
Watching over me always
From heaven up above

You guide me through my worries
And help me through each day
Always by my side
You never went away

The bond cannot be broken
Made from love so pure
Death does not break the bond
It lives on for ever more

You rest in the arms of angel
Free from illness and pain
Waiting for the day
We are together once again.
