Poem for Dad

If I could write a story, It would be the greatest ever told
Of a kind and loving dad who had a heart of gold. I could
write a million pages but still be unable to say, just how
much I love you and miss you every single day I will re-
member all he taught me I'm hurt but won't be sad. Be-
cause he will send me down the answers and he'll always
be my dad. Will always bring a smile. You always meant
so very much. You will forever be in my heart, until we
meet again

Love Your Daughter, Tyche

In Loving Memory of My Father

God saw you getting tired, and a cure was not to be
So, he put arms around you, and he whispered "Come to
me"

With tearful eyes I watched you I watched you fade away
Although I loved you dearly I could not make you stay.
A golden heart stopped beating. Hardworking hands at
rest.

God broke my heart to prove to me He chose to take the
best.

It's lonesome here without you
I miss you more each day.
Life doesn't seem the same
Since you have gone away
When days are sad and lonely
And everything goes wrong,
I seem to hear you whisper
"Cheer Up and Carry On"
Each time I see your picture
You seem to smile and say,
"Don't Cry, I'm in God's hands,
We'll meet again soon someday.

Love your daughter, Candy

Poems:

To My Brother

Somewhere in my dreams tonight I'll see you standing there
Looking at me with a smile telling me you're in good care
You tell me God chose you from his garden. He picked you from his bouquet
God must have really needed you and that's why you couldn't stay
I know the angels came to retrieve you from up above
Now you are my angel My brother- Whose heart was filled with Love.

Love Sandy.

To My Darling Husband

What to say about you and I, We were friends. We just clicked and got each other. I will always remember how much fun you were and how much you made me laugh. I will always remember the good and the bad, because that's what made our love for each other strong. I will truly miss you, but I have so many good memories of us to cherish. My only wish is to see you again. Just One more kiss, one more "Roz". Only you could say that because I knew when you said that what it meant. I love you too. Can't wait to see you again. Love always your Wife and best Friend. Rosalind Hogan Kane
