MISSING YOU

*No words I write can ever say
how much we miss you everyday.
As time goes by, the loneliness grows.
How we miss you , nobody knows.
We think of you in silence.
We often speak your name.
But all we have is memories and photos in a frame.
No one knows our sorrow, no one sees 'us weep,
but the love we have for you is in our hearts to keep.
We'll never stop loving you, I'm sure we never will!
You are with us still.
Heartache in this world are many
but ours feel worse than any.
Our hearts still ache as we whisper low.
We need you and miss you so
the things we feel deeply are often t
he hardest to say so we keep quiet.
We'll tell you anyway
there is a place in our hearts
that no one else can fill,
Until we meet again.
Loving and missing you forever Daddy.*
