Aleshia Tucker

Aleshia was gifted to this world on February 20, 1984. Aleshia Tucker was born to the late Virginia "Peggy" Tucker and Micheal Tucker. Her journey, filled with love, service, and unyielding dedication to her family and community, concluded on March 1, 2026. In her 42 years, Aleshia left an indelible imprint on the hearts of those fortunate enough to know her. Aleshia's early years in Hopkins Sc were marked by a nurturing home filled with love and guidance from her parents and grandparent. She was a proud graduate of Lower Richland High School in 2002. Her thirst for knowledge led her to South Carolina State University, where she earned a bachelor's degree in social work, followed by a Master's degree from Winthrop University. Her academic pursuits reflected her commitment to understanding and helping others, which became the cornerstone of her professional life.

Honorably serving her country in the United States Army with one tour, Aleshia's dedication to service extended beyond the military. She built a fulfilling career as a social work counselor, where her empathetic nature and keen insight touched countless lives. Her colleagues and clients alike admired her unwavering dedication and her ability to make everyone feel heard and valued. Outside of her professional accomplishments, Aleshia cherished her roles as a mother, sister, and friend. Her son, Legend Point, was the light of her life, and she devoted herself to ensuring he grew up surrounded by love and support. Time spent with Legend was precious, and together they shared countless joyful moments that will forever be cherished.

Aleshia's vibrant spirit shone through her passions. She adored pampering herself and could often be found working out to maintain the active lifestyle she embraced. An avid football fan (Lets go Cowboys!!!), her enthusiasm for the sport was infectious, and watching her favorite teams brought her immense joy.

Her family was the center of her universe. Aleshia is survived by her beloved son, Legend Point; her cherished siblings, Mykeshia "Shay" Tucker, Micheal Tucker Jr., and Terrell Tucker; and her dear grandmother, Rebecca "Granny" Myers. She is also fondly remembered by her special friend, Kelvin Hunt, whose companionship brought comfort and happiness into her life.

Aleshia was preceded in death by her devoted parents, Virginia "Peggy" Tucker and Micheal Tucker, whose legacies of love and strength she carried forward.

As we say goodbye to Aleshia, we remember her as a beacon of love, dedication, and resilience. Her legacy will live on in the hearts of those she touched, and her spirit will continue to inspire us all. She will be dearly missed, but her light will never fade.
