

# *Dad*

*I thought I had a lifetime left with you...  
but then I realized- you gave me  
your lifetime.*

*Every lesson, every laugh,  
every quiet moment...that was  
your forever with me.*

*I smile through the tears because I know  
your love didn't end-it just changed form.  
You loved me until your last breath...  
and I'll carry that love until mine.*

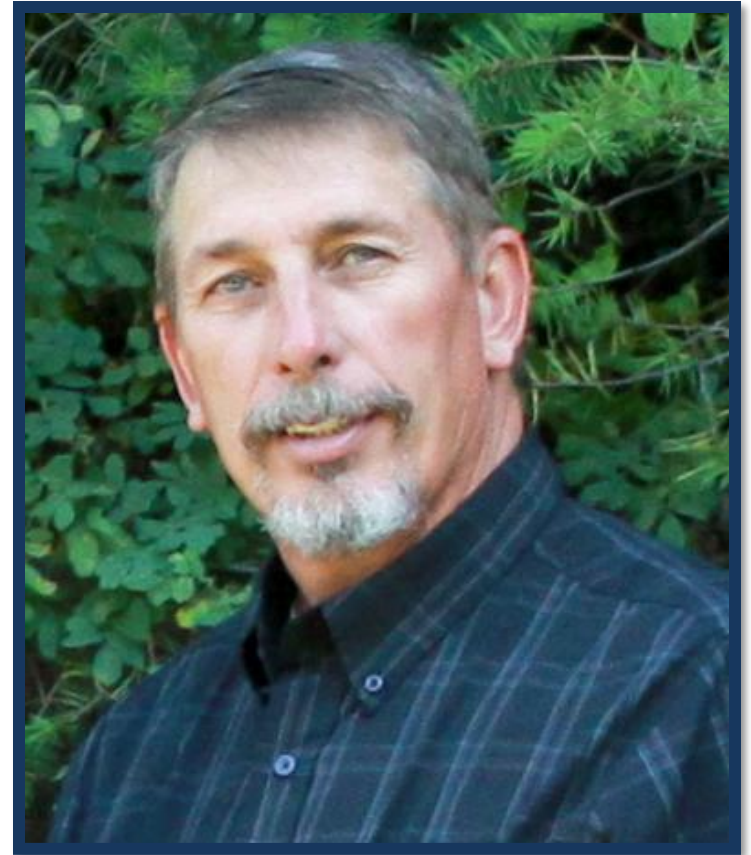

*Until the day we meet again*
