TOGETHER AGAIN

*No tears remain, no parting, no night— Only the warmth of the Savior's light.
Their laughter rings like a gentle chime; Eternal love untouched by time.
They walk where gardens never fade; Where mercy flows and grace is laid.
In Heaven's home, their souls rejoice; Forever united, one heart, one voice.
So lift your eyes when sorrow is near, For their joy is whole, their love is clear.
Though distance rests on earth's short span, Heaven has joined them, hand in hand.*
