

In Loving Memory

Thank you

There are no words to fully express our heartfelt gratitude for your sympathy and kindness during this difficult time. Your support and comfort have brought us strength and will always be remembered by the family of Ashlee Kollars.

Ashlee Dawn Kollars

July 12, 1994 ~ July 12, 2026

Ashlee Dawn Kollars, born on July 12, 1994, passed away on her birthday, July 12, 2026. Ashlee was a vibrant and fiercely independent free spirit who lived life without fear, leaving behind a legacy of laughter and unconditional love. She was known for her larger-than-life personality, always willing to speak her mind and try anything at least once. Ashlee was a compassionate and loving person who stayed true to herself, unconcerned with the opinions of others. Her contagious smile lit up every room, and her quick wit, off-color humor, and unmistakable laughter announced our Ashhole had arrived, to bring the fun. Ashlee was a B.A.M.F. would never judge you.

Ashlee was always ready for an adventure, whether it was concerts, camping, fishing, or boating. She loved taking her children on outdoor adventures like camping, floating, swimming, and fishing. She loved watching her children's sporting events, she would cheer loudly so they knew she was their number one fan.

She is survived by her children, Mya Jo Wright and Jaxx David Talbot; her siblings, Samantha Jo Steffens and Mason Zachary Kollars (Carlyn); her parents, Mark and Kristeena Kollars; and her Grandmother Rosemary Kollars.

Ashlee was preceded in death by her fiancé, Dustin Talbot; grandparents, Richard and Ila Steffens; and David Kollars.

*"Perhaps they are not the stars,
but rather openings in heaven
where the love of our lost ones
pours through and shines down upon us
to let us know they are happy."*
