Pac,

What up bro? I know you was hurting on the inside but I just wish you let us know. I was telling you to get some rest but this is not the rest I was talking about. You left us and it just doesn't seem right at all. Who gonna f--k with my kids and yell, "Bro, get them!" SMH this s--t hurt. I wish I could have helped and I'm sorry bro! We love and miss you! Until we meet again...

Mike

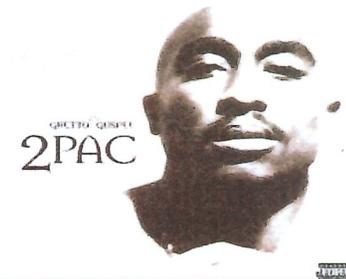

I've seen you for the last time lying all alone. So still that I swear I couldn't believe what I heard was really real. You didn't even give me a chance to say goodbye. I just wondered why! Every time I sit alone all I can do is cry. I guess it's really true that I have to say goodbye. I will always love you rain or shine until the end of time.

Love you always,

Your 2nd part time Mom

This hurts really bad. As a big brother, you've always been there. I can't imagine life without you. Will miss you and your nephew will too. I love you so much bro!

Neka

To my first baby,

I love you with all of my heart. I did not want you to go so soon but I realize that you were ready to go. I will see you again son. I love you so much!

Love always,

Mommy

Memories of my Brother

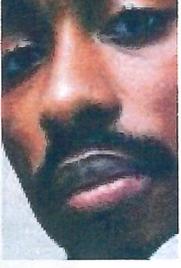

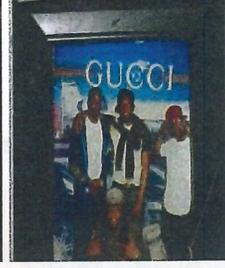

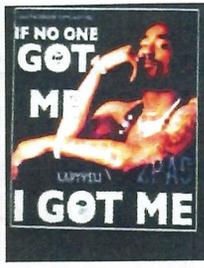

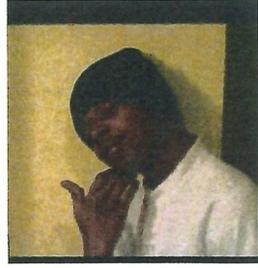

How well I do remember
All the special times we had
As we were raised side by side
Sharing good times, sharing bad

Sometimes we would disagree
But always made up in the end
But as we grew to be adults
We became the best of friends

Then you heard the voice of JESUS
Gently calling on high
He was holding out HIS loving arms
But I could not say "Goodbye"

So I said "See you later"
Dear brother, wait for me
In the beauty of GOD's HEAVEN
Where the best is yet to be

"Broken Chain"

By: Ron Tranmer

***We little knew that morning,
That GOD was going to call your name.***

***In life we loved you dearly,
In Death we do the same.***

***It broke our hearts to lose you, you did not go alone
For part of us went with you
The day GOD called you home.***

***You left us peaceful memories
Your love is still our guide,
And though we cannot see you, you are always at our side.***

***Our family chain is broken and nothing seems the same,
But as GOD calls us one by one the chain will link again.***

***Lovingly submitted by,
The Family***
