

I Miss My Dad

*Although I cannot see you
Feel your hugs or kiss your face
I'll imagine you're beside me
An unseen presence I will embrace.*

*The night before you left us
Asleep no words were spoken
A gentle kiss placed on your head
Heavens gates stood halfway open.*

*Reflections of that morning
Before dawn you slipped away
Still replay through my daily thoughts
I will never forget that day.*

*Cannot begin to tell you
Just what that has meant to me
The painful process of letting you go
The hole in our family tree.*

*I miss your hugs, I miss your voice
Your genuine "I love you"
The simple spring lost in your step
The illness got to that too.*

*I don't wallow much in sorrow
You wouldn't have wanted that for me
Your wish to remain the strong one
Is the one you said I would be.*

*And though some days it's difficult
I still want to call on you Dad
Your swift untimely departure
Makes me reflect on just what I had.*
