

One day in our arms. Forever in our hearts.

Forever Loved

Benelli Grace Morgan

Obituary

Some lives are measured in years, while others are measured in the love they leave behind.

Some of the smallest feet leave the biggest footprints on our hearts. Though her time on earth was heartbreakingly brief, precious Benelli Grace Morgan filled a lifetime of love into a single day.

Benelli Grace was born on Friday, October 2, 2026, in Tulsa, Oklahoma, to her loving parents, Clint and Annie (Linsey) Morgan. On that same day, surrounded by the warmth and love of her family.

From the moment she entered this world, Benelli was deeply loved. She was a beautiful daughter, a precious little sister, and a blessing whose life, though far too short, will forever hold an extraordinary place in the hearts of those who loved her.

Benelli was blessed with two wonderful big sisters, Kimber and Remington. Benelli will forever be their baby sister, a beautiful part of their family's story, and a little piece of Heaven they will carry with them always.

Her life was meaningful simply because she was here. She was held, she was cherished, and she was loved beyond measure.

Her parents will forever treasure the precious moments they were given with her. While their arms must now hold her memory instead of her tiny body, the love they have for Benelli will never fade. She will be remembered in every sunrise, every quiet prayer, every family milestone, and every beautiful reminder that love does not end when a life does.

Benelli Grace leaves behind a lifetime of love in the hearts of her parents, Clint and Annie Morgan; her two big sisters, Kimber and Remington; and many loving relatives and friends who will forever cherish her memory.

In honor of Benelli's precious life, the family requests that memorial donations be made to St. Jude Children's Research Hospital, helping bring hope and healing to children and families facing unimaginable challenges. Donations may be made at www.stjude.org.
