Family Remarks

A mother has a special way of understanding what cannot always be spoken and of loving beyond words. Mama embodied that kind of love; a love rooted in tenderness, faith, and quiet strength. Her care for her family, her ability to read hearts, and her unwavering belief in God made her a blessing to everyone who knew her. We are forever grateful that God gave us Mama, and her love will continue to guide and comfort us for generations to come.

FAMILY REMARKS

My mama and I are so much alike. We had an open and honest relationship, and I was able to talk with her about everything. She was very intuitive; she would express things to me, and sure enough they would come to pass. I was the child that stepped on her last nerve, LOL. I'm going to miss her beyond words. I love you so much Mama

— Your Daughter, Dontata

Although you could not prepare me for this, you did prepare me for the world. I can't thank God enough for pairing us as a duo. You are, you were and you will forever be My Rock! I will miss you immensely. I love you Wheezy past this lifetime.
