

Michjuan Daquan Foster was born in Baltimore Maryland at Mercy Medical Center on December 17, 1996. **Michjuan** developed a love for gaming as a young child and that love would follow him into adulthood. **Michjuan**, his father Michael, older brother "Lil Mike and younger brother Mikhai enjoyed playing video games for hours on their XBox and Playstation. One of **Michjuan's** favorite games was Soul Reaver which he continued to enjoy playing even as an adult. **Michjuan** enjoyed learning and often reminisced about his time at Mount Royal Middle School. He was known to share fond memories of specific teachers and many of the friends he made there.

Michjuan attended and graduated from Frederick Douglass High School. **Michjuan** excelled in the Media Program at Douglass and was very proud of his accomplishments in the Media Program. One of his favorite accomplishments was his Media Certificate of Completion. It was at Frederick Douglass High School that **Michjuan** met the love of his life, Abriea. Abriea was a dancer in the Douglass Marching Band and it was love at first sight when **Michjuan** saw her. They shared their first kiss in the halls of Douglass and continued to share a life of Love, Laughter and Family.

After high school **Michjuan** discovered a love for cooking and began culinary studies at Stratford University. **Michjuan** was an excellent cook and took pride in providing delicious meals for Family. The Family especially loved **Michjuan's** Chicken Alfredo and Special Spaghetti although every dish he made was excellent!

Michjuan claimed he didn't like TikToks but always happily joined Abriea in making spontaneous TikToks. **Michjuan** enjoyed playing video games with his children and always made time after work to play with his four heartbeats. **Michjuan** worked at Amazon and was grateful for the opportunity to provide for his Family but he also made sure to generously give of his time, love, smiles, hugs and wisdom. **Michjuan** enjoyed reading Anime as well as dancing with Abriea and his four heartbeats to Let's Dance and the Michael Jackson Experience.
