## Softly as I Leave You

Softly I will leave you softly.  
For my heart would break if you should wake and see  
me go.  
So I leave you softly long before you miss me.  
Long before your arms can beg me to stay  
For one more hour or one more day.  
After all the years I can't bear the tears to fall so  
Softly, as I leave you there.  
Softly I will leave you softly.  
For my heart would break if you should wake and see  
me go.  
So I leave you softly long before you miss me.  
Long before your arms can beg me to stay  
For one more hour or one more day.  
After all the years I can't bear the tears to fall so  
Softly, as I leave you there.
