

*There is a saying that goes...
If death is the final answer to the test of life...
We go our whole life doing things that make us feel good
along with the things that make us feel bad.
We don't always get to choose what we go through even when we plan...
I know this was not his planning, I hope he has found peace
from what we still have to learn.*

Love, Quincy

*His life was unselfish,
For others he always lived;
No, not for what he could get,
But what he could always give.
He had a smile for everyone,
And a heart as good as gold;
And those who knew him, loved him,
His memory will never grow old!*

Love, Grandma Marie

MEMORIES

*Sometimes it's hard to understand why some things have to be,
But in His wisdom, God has planned beyond our power to see.
So looking back on memories we shared, which were so very dear,
We'll always cherish the times we had because they will keep you near.*
