

Corey James Cadotte was born June 5, 1970 to Judy Cadotte. He was the first grandson to Tyrus & Theresa Cadotte. He spent time with his family at the Ranch and helped his grandparents when he could. Corey graduated high school and played football for the Timber Lake Panthers. He gained many friends during his time living in Timber Lake SD living with his Grandfather Cy Cadotte. He spent time with his Grandfather Roger Cadotte during this time also. Corey joined the US Navy and was stationed in Sacramento California. He served four years and returned to home to Wakpala SD to be with family. And

decided to look for work in North Dakota. He moved to Bismarck and met his daughters mother. To this union came their beautiful daughter Corie Cadotte, affectionally known as Baby Corie and Baby to her dad. Corie was his world and spent his time raising her. After time Corey returned to Wakpala to live the remainder of his life with his mother and daughter. He spent his past time, fishing, working on the family ranch, driving, playing horseshoes and caring for his mother. He worked for Prairie Knights Casino & Grand River Casino for many years. Corey has many, many friends and loved them all like his family. He spent most of his time with his many cousins, uncles and aunties. We all loved him like a brother and will always remember his laugh, jokes and good sense of humor. Our family is heartbroken and will honor Corey James in one year. When I Am Gone

*When I am gone release me
Let me go, I have so many things to see and do
You mustn't tie yourself to me with tears
Be happy that we had so many beautiful years
I gave to you my love
You can only guess how much you gave me in happiness
I thank you for the love you each have shown
But now it's time I travel alone
So grieve awhile for me, if grieve you must
Then let your grief be comforted by my trust
It's only for awhile that we must part
So bless the memories within your heart
I won't be far away, for life goes on
So if you need me, call and I will come
Though you can't see or touch me, I'll be near
And if you listen within your heart you'll hear
All my love around you soft and clear
And then when you must come this way alone
I'll greet you with a smile and say
"Welcome Home."*
