

I'm Free!

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the close of the day.
If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My Life's been full, I savored much,
Good friends, good times, a loved one's touch,
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free!

A Beautiful Smile, A Beautiful Spirit

Her smile was a light that lingered,
Soft as morning, warm as grace.
A beautiful spirit, steady and sweet,
Leaving love in every space.
She sang with joy that lifted hearts,
Wove fashion into artful style,
Penned poetry with tender hands,
And decorated life in purple's smile.
Her home held pieces of her soul
Color, comfort, her special touch.
Every corner whispered softly
Of the woman we loved so much.
Linda leaves her love still shining,
A gift that time cannot erase
Shared with her husband of twenty four years,
Her partner in journeys and unhurried pace.
Together they walked through life with wonder,
Hand in hand, heart close to heart.
And though she's gone from sight today,
Her spirit ensures they're never apart.
