MY NOTE TO MOMMY

I have loved you all my life. I have been selfish with some things in life, but the one thing I have always been willing to share was you, my beautiful mother. You weren't just beautiful on the outside. You were beautiful from the inside out. You've been a virtuous woman of God. I just want to Thank God for choosing you for us.

I Love you Mommy.

Ronnie

My Dearest Ora Lee,
Thank you for 62 blessed years of marriage. Thank you for your love, your patience, your kindness, and for standing by my side through every season of life. You made our house a home and my life complete. Being your husband was the greatest honor and the sweetest gift God could have given me.

We laughed together, prayed together, and built a lifetime of memories that I will carry in my heart forever. Your love was my comfort, your smile was my strength, and your presence made every day better. You were not only my wife, you were my best friend, my heart, my everything.

Though my heart is heavy and the house feels so quiet without you, I am grateful for every moment we shared. I would choose you all over again, every time.

I woke up this morning expecting to touch you, I realized you had gone home. Rest in Him
Forever your loving husband,

David
