*W*ith heavy hearts we are saddened to announce the loss of our loved one, Tammy. She passed away with family by her side at the Brandon Hospital on Saturday, March 30th, 2024. She was 50 years old.

Tammy was born Thursday, April 19, 1973, at St. Anthony's Hospital in The Pas, Manitoba to Louisa and Lloyd Easter.

She grew up in Moose Lake for a good part of her young years, then moved to Crossing Bay just outside of Moose Lake, with her last known residence of Trader's Lake.

Tammy and Ahab were united in marriage on December 11, 1999, sharing 24 years together.

Tammy was a stay-at-home mommy, a caregiver to her grandbabies and a housewife. Tammy worked casual positions around the community and specialized in the assistance of the Mosakahiken Transportation Program. She also worked at the check stop during lockdown to combat Covid. Tammy received her education from the Moose Lake school then left to further her high school education in Brandon and Frontier Collegiate Institute in Cranberry Portage.

Tammy absolutely loved her grandbabies, which made it possible for her to prioritize being a kookum first, loving her kids but the babies came first. She absolutely loved her Dwayne Junior, she guarded him with all her being. Tammy also loved her phone call from her sister Treena, although the time change was difficult they always managed to talk for hours.

Tammy was a woman with an awesome sense of humor, she made anyone and everyone laugh with her stories that she painted very well for you to see. The sarcasm was expected when she was around and she would bring the smile out of you when you need it. The fun followed her, along with the mishaps and the pranks she played on the family.

Tammy had a big heart, she would help in any way she could, she was an awesome support for any life's journeys with her close friends and family. She provided the ear to listen, the shoulder to cry on and the non-judgment of a downfall. She picked you up just by being there for you. She was great company. One would often find her with Lou, playing slots at the VLT Centre, this was also where she would catch up with friends and family on the latest news and happenings.

Tammy loved going on trips and rides out of the community with either Janet or Jenny, these two ladies had that special bond with Tammy, the connection was formed from early childhood, with their endless stories that only they could share. She also loved the great outdoors, sitting by the fire, the lake with her hot cup of tea.

Tammy will be greatly missed by all that knew her, you totally missed out if you didn't have the privilege.
