

# *In Loving Memory*

You were the love of my life, the air that I breathe. You were my soul, my happiness, the all that I need. You were my light, my dark, the stars in the sky. You were my ups, my downs, the reason I try. You were my strength, my weakness, the love from the star. You were my heartache, my pain the beat of my heart. You were my tears, my joy, the love that you bring. You were my world, my galaxy. You were my everything.

I miss you so much, it hurts my heart!

It's not "goodbye" but, "see you later!"

All my Love,

Viva
