

### *No One Quite Like Him*

*No one quite like him,  
No one more adored,  
Too special, too kind  
He was just so much more  
Than this world could accept  
Could dilute or could change.  
He fought hard for his place,  
Always just out of range.  
His struggles have ended,  
He's found peace and rest,  
But oh, how we'll miss him!  
Our Braez is the best!*
