Remember Me

Remember me with smiles not tears

For all the joy, through all the years

Recall a closeness that was ours

A love as sweet as fragrant flowers

Don't dwell on thoughts that cause you pain

We'll see each other again

I am at peace... I had to leave

But "what a view" I have from here

I see your face, I feel you near

I follow you throughout the day

You're not alone along the way

And when God calls you... you will be

Right by my side...right here with me

Till then, I'll wait by heaven's door

We'll be united...evermore!
