

### You'll Live Always

It's true we bring nothing into this world,  
 And nothing we take when we pass.  
 So the time in between we must use carefully,  
 for only the memories will last.  
 We hurt because you left us.  
 We cry because you're gone;  
 with sorrow we must say  
 goodbye, but your memory lives on.  
 Because of what you mean to us the  
 loneliness will always remain.  
 But because of all the love  
 you gave, in our hearts, you'll live always.  
 How far from Him, alone and  
 lost at times I seem to be.  
 Who go God's road a wanderer across eternity.  
 And yet though I am far from Him,  
 how near at hand is He.  
 Sometimes I feel I need but reach  
 to touch and look to see.  
 By world and wild, by wood and world  
 It is a mystery.  
 Why must I go so round a road  
 To Him who is in me.

### A Moment in Time for Timmie

There's so much time in a moment, sometimes we don't value a second. But every second counts when we're in a rush for time. Time is of the essence; we wanted you forever. But forever's gone away. And if I had one moment to wish, I'd ask if you could stay. I loved you from conception, didn't know who you would be. Couldn't wait to meet this wonderful person who grew inside of me. I watched you grow into a young man who had big dreams and plans. God hold my hand and heal my heart because I don't understand-
