The Clock Of Life

*The clock of life is wound but once
And no man has the power
To tell just when the hands will stop
At late or early hour.*

*To lose one's wealth is sad indeed,
To lose one's health is more,
To lose one's soul is such a loss
That no man can restore.*

*The present only is our own,
So Live, Love God, toil with a will -
Place no faith in "Tomorrow" -
For the clock may then be still.*
