

His Journey's Just Begun

*Don't think of him as gone away--
his journey's just begun,
life holds so many facets--
this earth is only one.
Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.*

*Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.*

*And think of him as living
in the hearts of those he touched...
for nothing loved is ever lost--
and he was loved so much.*
