Obituary

Barrington A. Campbell, age 66, of Lakewood NJ, passed away peacefully on Monday morning, July 6th, 2020, at Ocean County Medical Center, Brick NJ. He was born on July 2nd, 1954, in Kingston Jamaica, in a small town called Cockburn Pen, as the first born to both his parents, Frank Joseph Campbell and Diana Thompson, formally known as Diana Wright.

Barrington was born with a physical disability that also affected his speech. His parents were told that he will never be able to walk or talk, but at the age of 4, Barrington started to walk and was able to talk though he still had challenges in doing both. He attended a private school at the age of seven, but never went to high school yet, he had the ability to understand and converse with people intelligently from all walks of life.

Due to his physical disability causing him to shake, neighboring friends started to give him the nick name "Shaky." As a toddler into his teens, he was raised by his grandmother, Mother Wright who also gave him a pet name "Gene" after his grandfather, Eugene. Despite his challenges, Barrington was an over comer and never allowed his physical disposition to prevent him from accomplishing the things he desired in life.

His first job in Jamaica was working as a Manuel Shoemaker for a company called "All Brother's Shoe Factory. During the early 70's, both his parents immigrated to America where they lived their separate lives. During this time, as an adult, Barrington mother filed for him to come and be reunited back with her in the United States of America where he was able to also have the opportunity to see his father again.

When Barrington was in his early 30's, gained his first employment in America, working for McDonalds in Lakewood NJ, for more than 10 years. Everyone knew him and said he is such a pleasant person. He obtained much recognition and awards with this company.

In 1995, he was hired as a custodian in the operating room at Brick Hospital, Brick NJ, now known as Ocean County Medical Center, where he received an outstanding worker's award and many other recognitions for his work ethics and commitment to this company.

In 2015, after being employed with this company for more than 15 years, Barrington retired. Barrington enjoyed the simple things in life. He was a sharp dresser and caught the eyes of many females. As a hobby, he loved to listen to music at home, get with friends to play dominos, spend quality time with his children and family when he was able to, and most of all, he loved the Lord.

Barrington was known for his witty, infectious personality and a smile that would brighten up a room and warm every heart that was in his presence. He was loved by many and will be truly missed. He is survived by both his loving parents, Frank Joseph Campbell of Orlando FL and Diana Thompson of Lakewood NJ and wife Cindy Campbell of Lakewood NJ.

He also leaves behind his beautiful children as follow; Nicole Campbell of Brick NJ, Jacqueline Campbell of Brick NJ, Jammeel Campbell of Brick NJ and Timothy Campbell of Asbury Park NJ. His siblings on mother's side are as follow; Petrona Sylvester of London England, Maria Sylvester of London England, Beverly Sylvester of Freehold NJ and Rev. Sharon Sylvester of Neptune NJ.

Siblings on father's side are as follow; Pastor Monica Campbell of Landover Maryland, Yvonne Campbell of Laurel MD, Junior Washington of Toronto Canada, Frank Jr. of Orlando FL, Michael Campbell of Hyattsville MD, Carol Williams of Silver Springs MD and Keith Campbell of Toronto Canada. He also leaves behind two grandchildren, Rayven Johnson and Mekhi Campbell and a host of nephews, nieces, uncles and aunts.

IN GOD'S HANDS

Everything is so pretty here, so white, so fresh, so new.
I wish that you could close your eyes so you could see it too.
Please try not to be sad for me.
Try to understand.
God is taking care of me...
I'm in the shelter of His hands.
Here there is no sadness, and no sorrow, and no pain.
Here there is no crying, and I'll never hurt again.
Here it is so peaceful, when all the angels sing.
I really have to go for now...
I've just got to try my wings.
