Mrs. Pearline, affectionately known as "Mujee" to her family and considered the total package; victorious, classy, God fearing women that could sing like an angel. A person you would want to remain in her good graces with as her door was always opened if you followed the rules. Mom

You were always there to help me

no matter what life brings.

To laugh with me,

to be proud of me

and share all the happy things.

But even more importantly

you were there to help

when plans went wrong.

You helped me work things out

when disappointments came along.

And so, I want to thank you!

And tell you lovingly you are

the best thing life has given me
